

# 13th INTERNATIONAL CONFERENCE ON ELECTRICAL AND RELATED PROPERTIES OF ORGANIC SOLIDS ERPOS 2014

## Scope

### Electrical and optical properties:

charge carrier generation  
transport and recombination  
photoelectrical phenomena  
electronic processes at interfaces  
molecular electronics, nonlinear optics  
molecular modelling and quantum chemical methods

### Molecular materials:

molecular crystals, liquid crystals  
organised structures, disordered materials, nanostructures  
low dimensional systems

### Advanced Materials:

molecular devices, motors and machines

July 6-10, 2014  
Świeradów Zdrój  
Poland

### Honorary Chair of the Conference

Juliusz Sworakowski  
Poland

### Programme Committee
